Article IX Amendments and Rule Changes

The Constitution may be amended or a Rule Change proposed in keeping with the purposes and objectives of the Association.

- A. The March (**May**) meeting of the Association will be the only regular meeting concerned with any rule change. Sub-numbers 1 through 6 remain the same.
- B. The April (**November**) meeting of the Association will be for discussion and changes if necessary by the proposer.

1. The Steering Committee may rework (reword) all seconded proposed rule changes from the March (**May**) meeting and have them ready to vote on at the May (**December**) meeting.
 2. Remains the same.
- C. A copy of all rule changes shall be mailed to all members of the Association before the April (**November**) discussion meeting and the May (**December**) voting meeting, or made available.
- D. The May (**December**) meeting will consist of a short review discussion (one pro and one con Statement) of all new proposals just before a vote is taken on that proposal with proxy votes being accepted. Sub-numbers 1 through 4 remain the same.
- E. Early January the Steering Committee will develop pros and cons for all rule changes. Prior to January 15th the Executive Board will meet with some members of the IHSA Gymnastics Advisory Board to review all rule proposals. These Advisory Board members will request new rules to be placed on the IHSA Advisory Board agenda for their next scheduled meeting.**
