State Meet

- Possible to get a half day for host school?
 - Pretty hard no
- Any team that cannot hit 6 meets this year can apply/petition to still be eligible, based on how girls are running
- Paul Kim- Virtual Meets as an option
- Laura Kalka-Judges going to different schools for essentially the same meet. Varsity at one school, JV at the other.

Judging

- Please sign up if you have not. First year judges do not have to pay a late fee
- Only 18 officials, make sure you have renewed everything (concussion etc.)
- A couple retirees this year, so we're going to need people to pick up the slack
- Association covering cost of first time officials?

Blaise- We need to do more to bring judges in. Having a committee take on this role in order to get judges signed up. This needs to be a priority. Head coaches need to be judging between 3-5 meets at lease.

Adrian Batista- Put it on the conference reps. NAIGC needs to be promoted more to our athletes and ADs.

Judges Training Videos

To help with your training for both judging and coaching- Brandon Tucker has graciously begun to develop judges training video tutorials on youtube for those of you who could not attend the clinics or mini clinics. Please view these videos and consider joining our team of judges, and thank you Brandon for developing these! They can also be found on the association webpage.
