2021-2022 Season In-Review

A HUGE thank you to all of you! We as an Association: the members, the committees, and the Exec. Board collectively was able to accomplish a lot. Aside from having a season that was “back to normal”, we also:

- Had a successful December Clinic with an Olympian Keynote Speaker.
- Got all taxes and governmental statuses up-to-date, current, and in good standing.
- Increased the number of teams entered into the State Series.
- Started with 22 registered officials and more than doubled it.
- We were able to support newer officials in many ways thanks to our Judging Committee and their ideas that weren't just ideas, but actions (updated resources, videos, mini-clinics, Google classroom, etc ...).
- Had a nice showing to support and volunteer to help the Special Olympics
- Raised just under \$7,000 through fundraising/donations (\$4250) and membership dues (\$2720)
- Were able to provide \$2,500 total in scholarships this year while still remaining fiscally responsible.

We simply were amazing as an Association and none of this could have been done without you.
